Organizing Ourselves

You're in charge of R projects and organizing your lab materials now

Take some time to download/set up this week's lab materials however you see fit (REMINDER: R Project instructions are on Brightspace)

GOAL: Future you should be grateful for past you

The data we'll be looking at...

Iris Versicolor

Iris Setosa

Iris Virginica

What type of plot do we typically use to display relationships between two continuous variables (i.e. correlations)?
